

ABOUT

Students @ Denver is the Youth Ministry of Church at Denver. We exist to be a fun and safe environment where 7th -12th grade students can come and learn what it means to be a true disciple of Jesus. We meet every Sunday in the sanctuary at 6pm.

WHAT TO EXPECT

Students from 7th-12th grade will come and experience Christ's love through our staff, volunteers and other students as they come together to share a meal, worship, hear the scriptures on their level, and build a community with the volunteers during their small group time after the worship service. Students will go deeper in their walk with Christ by hearing the Word of God, experiencing the Word of God through the compassion of others, and sharing in the Word of God by participating in their living out of Faith.

A message from Artur :

The thing I love most about student ministry is the ability to make lasting relationships with students that point them closer to Jesus. It is my prayer that our student ministry reflects Jesus in how He walked, talked, and taught.
