

KIDS[AT]DENVER
21 DAYS OF
PRAYER & FASTING

As a church, we are committing to a 21 day Prayer and Fasting Challenge with the hope of developing new habits in our walk with the Lord. It is our hope that we can involve the whole family and continue to encourage kids to develop these spiritual habits too.

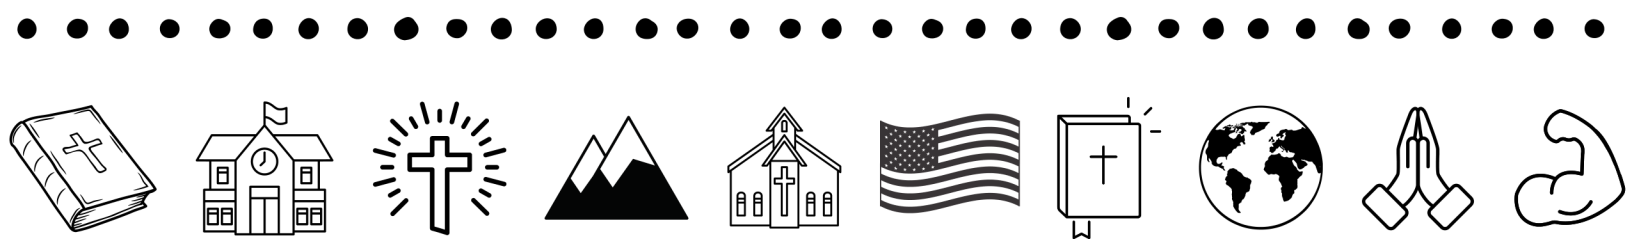

This document outlines 21 days of prayer prompts for kids. While this does loosely follow the adult guide, a few days may be different and focused on their world. Our hope is that this will help guide daily prayers as a family.

This guide can be used in a variety of ways:

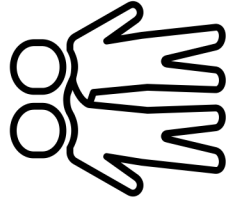

- The document was designed in black and white to allow kids to color and make it their own.
- Each day can be cut into strips and connected together to create a paper chain that counts down the days of the Prayer & Fasting Challenge.
 - To create a paper chain, cut along the dotted line.
 - Tape or glue the ends of one paper strip into a circle.
 - Feed the next day's paper strip through the first circle then tape or glue into a second circle. Continue with all strips.
- Blank strips are included in case there are other items you want to add or take away from the prayer prompts provided.

Please reach out with any questions. We are excited about how the Lord will use this time for your family!
